

PEMBROKE AREA CHAMBER OF COMMERCE

Member to Member Opportunities

Membership in the Pembroke Area Chamber of Commerce affords your business an exclusive opportunity to work with other chamber members to the benefit of one another.

Finding opportunities to grow your business is one of the most valuable benefits of Chamber Membership. Our Member-to-Member Discount Program helps you build business-to-business relationships by offering your products and services at Member-exclusive rates.

As a Participant in the Member-to-Member Discount Program:

Complete the form below and list the discount you would like to offer to other Chamber members. We'll publish your offer quarterly in the Chamber Newsletter and annually in the PACC Chamber Directory as well as on the Chamber's website (www.pembrokechamber.com) and in new member welcome packets.

Each member receives two Member-to-Member Discount Cards. Additional cards are available for a small fee of \$1/per card and may be given to company employees to use. In addition to driving business to Chamber members, providing cards to your employees is an inexpensive and valuable employee benefit.
